

"Scrooge is a sublime success... You'd have to search very hard for a more exciting trip to the theatre this festive season..." – Cape Times Review

Scrooge has opened in Cape Town with resounding acclaim for its wicked humour, social relevance, and sheer entertainment .

Now you can enjoy this spectacular show, while contributing to a cause that all the Christmas Spirits would have embraced. Princess Vlei is a beautiful wetland and recreational area, an invaluable green lung with a rich cultural history loved by many and accessible to low-income communities. By purchasing tickets for our fundraising performance of Scrooge, *you* can help save this jewel of Cape Town from the proposed shopping mall development, while having the best evening out of the season. What more can you ask for? This will make a great Christmas gift for your loved ones!
